Director's report: (Mr. Telschow)

Students had fun at the car wash/garage sale. The addition of new part time teacher is going well, students are positive and excited this year. There is a temp wall in the Bridge Street room. Madrigals will not be able to be held in the commons. They are looking for off-site venue options. Will be checking out the middle school as an option. The Madrigals would like to walk in the Anoka Halloween Parade. It is a lottery system. Mr. Telschow will discuss if kids would like to do the 'Light Up the Night Parade' on Oct. 19th or the 'Grande Day Parade' on October 26th. Participants at either parade are chosen per a lottery system. Deadline is 9.15.19 and announced 10.1.19.

Madrigals report:

Students have started to meet. Menu has been selected. Create SAVE THE DATE invites to send to all school board members and other identified community members.

Fundraising committee report: (Jen Semler)

Garage Sale/ Car Wash update-Recommended to do it again next year but extend the dates and to also host a competition between the students who worked shifts at the car wash.

Concessions \$200.00

Car Wash \$1060.00

Garage Sale \$1084.10

There was a unique doll that was donated by a family. Sharon did some research on the doll and it appears to be of value. She will discuss with family on if they want the doll back or if it can be sold and money donated back to the choir booster program.

Homecoming update-it was decided to sell baked goods again this year during Saints Night and during the game (during game was approved by Activity Director). Mr. Telschow will host a competition amongst the students to see who can bring in the most baked goods. The boosters also decided to sell caramel apples and Mexican corn.

Garphish Open Mic night update: Set for Wednesday Oct. 23rd from 6-9pm for both Choir and showband students. A percentage of the sales will be donated back to Choir Boosters. There will also be a tip jar. Discussion was held on possible food sales as Garphish only has 1 pizza oven. Flyers will need to be created for this event.

November Pancake Breakfast/ Bake / Craft Sale fundraiser with the Lions club will be November 2nd. Students can bake/create items that can be sold at the pancake breakfast. Those items sold will go directly into individual student accounts.

Communications report:

There will be many vol sign ups coming through boosters email. Continuing with the monthly newsletter.

New Business

T-shirt/apparel information will be coming soon.
